Indianhead Community Action Agency receives Celebrate Children Foundation grant to strengthen families through books.

Ladysmith, WI — Indianhead Community Action Agency, Inc. (ICAA) is excited to announce their receipt of funding from The Celebrate Children Foundation. Funds received will allow ICAA to provide books, parent education regarding the benefits of reading to children, and caregiver support in strengthening child and adult bonds to increase child and parent outcomes.

ICAA's CEO, Jennifer Shearer said, "What better way to strengthen the bonds between parents/guardians and children than through reading! Parents/Guardians can spend quality time with children by reading with them and children can develop and use their imaginations." Grant funds will be used to support families in ICAA's Head Start/Early Head Start programs in Burnett, Clark, Rusk, Sawyer, Taylor, and Washburn Counties, and families in ICAA's Home Visiting programs in Clark, Rusk, and Taylor Counties.
