Indianhead Community Action Agency Receives Funding from the Edina Realty Foundation to Support Basic Needs of Homeless Individuals in Rural Wisconsin

Ladysmith, WI — Indianhead Community Action Agency, Inc. (ICAA) is pleased to announce it has received funding from the Edina Realty Foundation to support the basic needs of individuals experiencing homelessness in rural Wisconsin. The funds will help meet essential health and safety needs by providing food, hygiene supplies, emergency shelter, and limited financial assistance for individuals who are homeless or at risk of becoming homeless.

ICAA's CEO, Jennifer Shearer said, "We are grateful for Edina Realty Foundation's continued support, which allows us to meet people where they are and provide the basic necessities every human being deserves. These funds will directly impact the safety, dignity, and stability of individuals experiencing homelessness in our community. When we invest in basic needs, we invest in hope—and hope is often the first step toward long-term change."

Grant funds will support the needs of homeless individuals in ICAA's service area.
